#### **Empower Generations's EL Master Plan Introduction**

Empower Generations's English Learner Master Plan is designed to provide guidance and direction to administrators, instructional staff, families and learners regarding our programmatic goals and expectations for English Learners. It offers a practical guide for all staff to ensure that consistent, coherent services are provided to every English Learner (EL). All educators are expected to implement this plan with fidelity and we will hold each other accountable for doing so as we strive to continuously improve our services and outcomes for English Learners.

This document builds on our core beliefs. Learners' academic and social-emotional achievements are at the center of all of our policy decisions and are the focus of the English Learner Master Plan. We appreciate the responsibility of ensuring that all multilingual students become proficient in English and master the academic content required of every learner in California. English Learners face the twin tasks of learning rigorous academic subject matter while simultaneously mastering a new language. We know that English Learners face enormous challenges, yet they also bring vital linguistic and cultural assets to our community. At Empower Generations, we value and promote 21st-Century College and Career Ready knowledge and skills, as well as multilingual and multicultural proficiencies that bestow real advantages in today's complex, interconnected world. We strive to achieve these academic and linguistic goals by implementing the highest quality, evidence-based programs and services for all of our learners.

While the plan describes procedures and systems that are required by state and federal law, the heart of this plan describes what is to occur in the classroom. The plan also describes how ELs are identified, how our EL program is structured and how ELs become proficient in English and have full access to a challenging academic curriculum. It describes the systems for monitoring learners progress from the point of identification through their reclassification as Reclassified Fluent English Proficient (RFEP). While reclassification is an important milestone for all ELs, it is not the end of the journey. Empower Generations continues to closely monitor the progress of former ELs who have met reclassification criteria to ensure that they continue to achieve. If a learner should decline in performance, we will support them with appropriate linguistic and academic interventions.

## **Overview of Programmatic Goals for English Learners**

A core part of Empower Generations's mission is to meet the educational needs of all learners in an environment that fosters an appreciation for and understanding of other languages and cultures. To that end, Empower Generations values and implements The Principles of the English Learner Roadmap: Strengthening Comprehensive Educational Policies, Programs, and

Practices for English Learners (CA EL Roadmap). https://www.cde.ca.gov/sp/el/rm/
The four principles of the CA EL Roadmap include:

- Principle One: Assets-Oriented and Needs-Responsive Schools
   Pre-schools and schools are responsive to different English learner (EL) strengths, needs, and identities and support the socio-emotional health and development of English learners. Programs value and build upon the cultural and linguistic assets students bring to their education in safe and affirming school climates. Educators value and build strong family, community, and school partnerships.
- Principle Two: Intellectual Quality of Instruction and Meaningful Access English learners engage in intellectually rich, developmentally appropriate learning experiences that foster high levels of English proficiency. These experiences integrate language development, literacy, and content learning as well as provide access for comprehension and participation through native language instruction and scaffolding. English learners have meaningful access to a full standards-based and relevant curriculum and the opportunity to develop proficiency in English and other languages.
- Principle Three: System Conditions that Support Effectiveness
  Each level of the school system (state, county, district, school, pre-school) has
  leaders and educators who are knowledgeable of and responsive to the
  strengths and needs of English learners and their communities and who utilize
  valid assessment and other data systems that inform instruction and continuous
  improvement. Each level of the system provides resources and tiered support to
  ensure strong programs and build the capacity of teachers and staff to leverage
  the strengths and meet the needs of English learners.
- Principle Four: Alignment and Articulation Within and Across Systems
  English learners experience a coherent, articulated, and aligned set of practices
  and pathways across grade levels and educational segments, beginning with a
  strong foundation in early childhood and appropriate identification of strengths
  and needs, and continuing through to reclassification, graduation, higher
  education, and career opportunities. These pathways foster the skills,
  language(s), literacy, and knowledge students need for college- and
  career-readiness and participation in a global, diverse, multilingual, twenty-first
  century world.

One focus area for Empower Generations's ELs is based on Principle One: Assets-Oriented and Needs-Responsive Schools. Empower Generations's staff members are responsive to different EL strengths, needs, and identities and support their socio-emotional health and development. Programs and people value and build upon the cultural and linguistic assets learners bring to their education in a safe and affirming school climate. Educators value and build strong family, community, and school partnerships. When ELs feel valued and included in the school community, their language achievement is enhanced.

Another goal supports <u>Principle Two: Intellectual Quality of Instruction and Meaningful Access.</u> School leaders and staff review English Language Development curriculum and supports annually and make adjustments, as needed, to best serve our ELs and promote their mastery of English.

At Empower Generations, ELs work on mastering ELD and Common Core State Standards simultaneously. They are engaged in the type of rich instruction called for in the Common Core State Standards, with appropriate scaffolding that attends to their particular language learning needs. They are supported as they:

- Read, analyze, interpret, and create a variety of literary and informational text types
- Develop an understanding of how language is a complex, dynamic, and social resource for making meaning
- Develop an understanding of how content is organized in different text
- types across disciplines using text organization and structure, language features, and vocabulary depending on purpose and audience
- Become aware that different languages and varieties of English exist
- Recognize their home languages and cultures as resources to value in their own right and to draw upon in order to build proficiency in English
- Contribute actively to class and group discussions by asking questions, responding appropriately, and providing useful feedback
- Demonstrate knowledge of content through oral presentations, writing, collaborative conversations, and multimedia work
- Develop proficiency in shifting registers based on task, purpose, audience, and text type

## CHAPTER 1: Initial Identification, Assessment, Program Placement and Reclassification

- The Enrollment Process
- Language Proficiency Assessments
- Correction of Classification Errors
- Professional Development For Staff and Administrators On Initial Identification, Placement, And Related Parental/Guardian Rights/Informed Consent
- Reclassification
- Criteria Used For Reclassification
- Reclassifying English Learners With Disabilities
- Monitoring Progress Of Reclassified Learners

#### **Enrollment Process**

Empower Generations seeks to enroll learner populations that serve and reflect the demographics of the local region. Accordingly, Empower Generations complies with federal, state, and county mandates regarding

identifying, enrolling, instructing, assessing, and monitoring ELs. Below are the steps taken upon enrollment.

- All incoming families, who are first-time enrollees in California Public Schools, complete a Home Language Survey (HLS) upon enrollment. Families coming from another CA public school have already completed an HLS, so their home/primary language and language status must be found in CALPADS and added to the school's student information system (SIS).
- If parents/guardians indicate a language other than English on the original HLS and there has been no previous enrollment in a CA public school, the learner will be entered into the SIS as to be determined (TBD). Per ELPAC regulations, TBDs are given the Initial ELPAC within 30 calendar days of enrollment.
- a. If the learner is transferring from another public school in California, CALPADS must be checked for primary/home language and learner language status and entered into the SIS. EL records must also be requested by the site.
- b. If the initial home language survey identifies a language other than English, the learner's language status must be entered in the SIS as TBD.
- a. Site Registrars/Office Managers, along with administration, are responsible for determining the primary language based on CALPADS or the HLS and entering the home/primary language and language status in the SIS.

## **Home Language Survey Questions**

- 1. Language the student first learned, is spoken by the student, or in the case of a student too young to speak, the language spoken most frequently by adults in the home. Explain
- 2. What language did the student first learn to speak?
- 3. What language does the student most frequently read/speak at home?
- 4. What language does the parent/guardian most frequently speak to the student?
- 5. Which language is most often spoken by adults in the home?

## **Language Proficiency Assessments**

The English Language Proficiency Assessments for California (ELPAC) are used to identify English Learners' level of proficiency in listening, speaking, reading, and writing. A learner identified as To Be Determined (TBD) must be given the Initial ELPAC within 30 days of enrollment. The Summative ELPAC is given to all ELs each Spring to monitor their progress toward English language acquisition.

The ELPAC is aligned with California's 2012 English Language Development Standards and is comprised of two separate ELP assessments:

- Initial ELPAC—an initial identification of learners as IFEP or EL
- **Summative ELPAC**—an annual summative assessment to measure progress in mastering English and to identify the learner's ELP level.

The scores of the Initial ELPAC will indicate one of the following: Initial Fluent English Proficient(IFEP)
Intermediate English Learner (EL)
Novice English Learner (EL)

The scores of the Summative ELPAC indicate an **Emerging**, **Expanding**, **or Bridging** proficiency level of ELD Standards.

#### **Correction of Classification Errors**

When a learner is classified as English Only (EO) and the LEA has an indication that the learner's primary or native language is not English and the pupil is not able to perform ordinary classroom work in English, the LEA may collect and review evidence of the pupil's ordinary classwork in English. (Ed Code 11518.20)

- (d)(3) Parent or guardian opinion and consultation results: and
- (d)(4) Evidence of the pupil's performance in the LEA's adopted course
  of study, including courses as described in Education Code sections
  51210 (for pupils in grades 1 to 6) and 51220 (for pupils in grades 7 to 12)
  and English Language Development, as applicable, obtained from the
  pupil's classroom teacher and other certified staff with direct
  responsibility for teacher or placement decisions

If the LEA determines that the learner shall be administered the initial assessment in order to determine the pupil's classification:

 The LEA shall notify the pupil's parent or guardian in writing that the pupil will be assessed at least 10 calendar days prior to administration of the initial assessment

If the LEA administers the initial assessment and if the learner does not meet the ELPAC initial assessment criterion for proficiency, the LEA shall classify the pupil as EL. The LEA shall notify the learner's parent or guardian in writing of the results of its review, including the evidence that led to the determination and the results of the initial assessment, as applicable, within 14 calendar days of its determination.

The learner's parent or guardian shall be entitled to request that the LEA review its determination following the procedure described in subdivision (c). (See appendix)

During the time evidence is being collected and reviewed, the learner shall retain his or her original classification. This review shall occur only once over the course of the learner's enrollment in the California public school system.

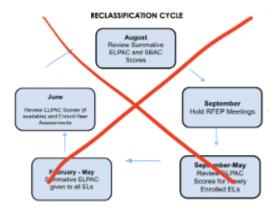

## Professional Development for Staff/Administration on Initial Identification, Placement, and Related Parent/Guardian Rights

Office staff training on enrollment procedures, assessment for identification, program placement, and parent/guardian communication, including informing families of their child's placement, their legal rights, and making them feel welcome, is conducted annually with additional training scheduled as needed.

## Reclassification (Criteria Used For Reclassification, Monitoring Progress Of Reclassified Learners, and Reclassifying English Learners With Disabilities)

Reclassification is the process whereby a student is reclassified from English Learner (EL) status to Reclassified Fluent English Proficient (RFEP) status. Reclassification can take place at any time during the academic year, immediately upon the student meeting all the criteria.

This chart has been removed because reclassifications can now take place at any time during the academic year, immediately upon the student meeting all the criteria.

#### Criteria Used for Reclassification

Empower Generations uses the guidelines stipulated in 5 CCR, sections 11303 Reclassification and 11308 [c][6] Advisory Committee issued by the California Department of Education.

Criterion 1: Assessment of English Language Proficiency

## **Reclassifying English Learners With Disabilities**

The reclassification criteria apply to ELs who have special needs; however, the Summative ELPAC is given with designated and non-designated supports and accommodations as determined by the iep team. For ELs with the most significant cognitive abilities, the Alternate ELPAC is given when deemed appropriate. Once it is determined that a learner takes an alternate state assessment, that learner must take alternate versions of other state assessments. The IEP team should be consulted when reclassifying an EL with special needs. IEP teams should verify that in addition to meeting the criteria for reclassification, learners with ELD goals in their IEPs have mastered those goals before the learners are reclassified.

The IEP team must utilize 4 criteria to determine reclassification:

- **Criterion 1**: Assessment of English Language Proficiency
  - The IEP team will use the most recent administration of the ELPAC or Alternate ELPAC as the primary evidence that a learner has met the criteria demonstrating English language proficiency. A Summative ELPAC score of 4 or an Alternate Summative ELPAC score of 3 is required in order to consider reclassification of the learner.
- **Criterion 2**: Facilitator Evaluation
  - The IEP team will consider the learner's classroom performance information regarding (1)progress on IEP goals related to ELD, (2)progress on all literacy domains, (3) mastery of content as evidenced by IEP goals, and (4) mastery of grade level expectations.
- Criterion 3: Assessment of Basic Skills

- The IEP team will utilize a basic skills assessment (NWEA MAP) or an equivalent assessment.
- **Criterion 4**: Parent/Guardian Option and Consultation
  - The IEP team will consider parent/guardian input.

•

The IEP team may use other criteria to supplement the above required criterion to ensure that the most appropriate decision is made for each learner.

#### **Monitoring Progress of Reclassified Students**

Learners who have been reclassified must be monitored for four years after reclassification. School staff will use the state and or local assessment results, class performance, and reports of progress, to determine if the EL continues to experience academic success or if more English support is needed. Facilitator input is collected twice a year. All core teachers give feedback about student progress in class and indicate whether the student is in need of further intervention. When further support and interventions are needed, the EL is placed into Designated ELD classes. Empower Generations uses Ellevation to track RFEP monitoring.

When an EL reclassifies, the reclassification form is completed by the site EL coordinator, shared with the parent/guardian, and filed in the learner's cumulative folder. Then, the language status must be updated to RFEP in the SIS and uploaded to CALPADS.

#### **CHAPTER 2: INSTRUCTIONAL PROGRAM**

### • Instructional Program Options

#### **Instructional Program Options**

For the academic and social benefits of all, Empower Generations uses an inclusion model that allows learners of a wide variety of backgrounds, experiences, abilities, and needs to work collaboratively, thereby enriching each other's experience. This format allows all learners to be part of and contribute to a more global community. We have seen how this opportunity to interact and collaborate academically and socially allows our learners to deepen their levels of empathy, problem-solving, flexibility, and critical thinking, while mastering the state standards.

With the collaborative instructional model, learners receive support from their peers, classroom facilitators (general education facilitators), Care Team personnel (paraprofessionals), parent/guardian volunteers, and student support personnel.

As with all of the learners at Empower Generations, Individualized Learning Plans (ILPs) are developed for ELs at the beginning of each year. Using specific and individualized diagnostic assessment data, each learner team, consisting of the classroom facilitator, parent/guardian, and the learner themselves, will meet to establish an individualized annual ELD goal. Progress made toward the ELD goal is monitored throughout the year. Not only does each learner track and monitor their own progress (with the support of their family and facilitator), learners also reflect and report on their progress with their class at the end of the school year.

Empower Generations's ELs receive their services through a Structured English Immersion (SEI) program specifically designed to develop learners' English language proficiency. The California English Language Development Standards are used, in conjunction with the English Language Arts Standards, to scaffold the learners' instruction and progress toward eventual reclassification. For Integrated ELD, we implement research-based strategies and activities, through the ELLEVATION platform, so ELs can better access the curriculum.

## Coding EL Programs and Courses in the SIS

**EL program codes** must be added to the SIS for each learner. All Empower Generations ELs must have code **305-Structured English Immersion Program selected**.

All school courses in the SIS must be coded as one of the following:

• Code 3-Integrated ELD Instruction Only

or

• Code 4-Designated and Integrated ELD Instruction But Not Primary Language Instruction

English and Self-Contained Classes: Code 4-Designated and Integrated ELD

Instruction But Not Primary Language Instruction

All other classes: Code 3-Integrated ELD Instruction Only

**CHAPTER 3: Instructional Services For English Learners** 

- Research-Based Instructional Frameworks That Inform Our Practice With English Learners
- Ongoing Training and Professional Development
- Service Model For English Learners
- Availability and Use Of ELD Materials

## Research-Based Instructional Frameworks That Inform Our Practice With English Learners

Principle Two of the CA EL Roadmap: Intellectual Quality of Instruction and Meaningful Access states that "English learners engage in intellectually rich, developmentally appropriate learning experiences that foster high levels of English proficiency. These experiences integrate language development, literacy, and content learning as well as provide access for comprehension and participation through native language instruction and scaffolding. English learners have meaningful access to a full standards-based and relevant curriculum and the opportunity to develop proficiency in English and other languages."

In order to provide quality instruction and meaningful access, our facilitators use a combination research-based instructional strategies such as:

**Specially Designed Academic Instruction in English (SDAIE):** SDAIE is a teaching approach that can be used across the curriculum to support ELs. It emphasizes the importance of supporting ELs in acquiring academic skills and knowledge, while at the same time learning English through comprehensible input. The practice was based on linguistic theories laid out by a number of researchers,

including Dr. Steven Krashen and Dr. James Cummins, who developed Contextual Interaction Theory. At the heart of the theory are two major components that impact the SDAIE classroom: comprehensible input and a supportive affective environment. Comprehensible input is language input that can be understood by listeners despite them not understanding all the words and structures in it. Language is acquired because of the context in which it is contained.

The SDAIE approach seeks to teach both content and language in a cognitively demanding environment. The nature and goals of SDAIE lessons are to provide equal access to the curriculum of study. SDAIE strategies are consistent with multiple intelligence strategies, project-based learning theories, and special education approaches. SDAIE encompasses proven teaching strategies and techniques that benefit all types of learners, offering particular support to students who are EL.

The four major components of this teaching approach are:

- 1. **A visual approach to classroom presentation**: Facilitators will use models, kits, manipulatives, and gestures to show learners what they are talking about.
- 2. **A hands-on approach to class work:** Learners will retain new information faster with the use of manipulatives and task-oriented projects for them to build new vocabulary into their work banks.
- 3. **Cooperative learning strategies**: Facilitators will structure learning opportunities through project-based learning and during workshop instruction for learners to work together, be held individually accountable, and develop positive social skills. Learners are more likely to try to practice their English skills in smaller groups.
- 4. **Guided vocabulary techniques**: Facilitators make conscious choices regarding the language used and how vocabulary will be introduced, practiced, and incorporated into all components of their lessons.

**Project-Based Learning (PBL):** PBL incorporates communication and collaboration, allowing all learners to contribute in areas in which they show strength and to grow in areas of personal need. Projects include a great deal of learner voice and choice, with the purpose of engaging and incentivizing greater levels of learner participation and deeper levels of inquiry and communication - both academic and interpersonal. Through projects, ELs practice listening, speaking, reading, and writing in English in authentic ways.

## **Ongoing Training and Professional Development**

Each year, Empower Generations develops school priorities. These priorities impact our focus areas for staff development and training throughout the year. With an organizational priority on improving the achievement for ELs, Empower Generations leadership prioritizes EL professional development and training for all instructional staff. These trainings focus on

- Learning strategies to increase lesson engagement and access to the curriculum in the classroom.
- Using ELPAC and other data to inform instruction for ELs
- Implementing ELD standards in conjunction with content standards
- Improving EL understanding through Integrated ELD
- Providing effective Designated ELD instruction
- Preparing for the Summative ELPAC

## **Service Model For English Learners**

## TK - 12th English Language Development (ELD) Classroom Practices:

**Integrated ELD** is defined as instruction in which the state-adopted ELD standards are used in tandem with the state-adopted academic content standards. Integrated ELD includes specifically designed academic instruction in English. (5 CCR Section 11300[c]).

**Designated ELD** is defined as instruction provided during a time during the regular school day for focused instruction on the state-adopted ELD standards to assist English learners to develop critical English language skills necessary for academic content learning in English. (*California Code of Regulations, Title 5 [5 CCR]* Section 11300[a]).

Instructional Differences	Integrated ELD	Designated ELD
TIME	Within regular classes in all content areas	Specific protected time during the school day
FOCUS	Content of lesson with language support	Language skills, using content from regular curriculum
STANDARDS	State content standards in tandem with ELD Standards	ELD Standards

At Empower Generations, Integrated and Designated ELD incorporate California Dept. of Education ELD Standards as outlined in the table below:

## **CA ELD Standards—Parts and Strands**

- 5. Modifying to add details to provide more information and create precision

## C. Connecting and Condensing Ideas

- 6. Connecting ideas within sentences by combining clauses
- 7. Condensing ideas within sentences using a variety of language resources

Listed below are additional strategies and practices that increase learner engagement and understanding.

Strategy	How it helps:	How it works:
Language Objectives (separate from Content Objectives)	Builds academic English by focus on major language form, function and/or vocabulary focus separate from content objective	<ol> <li>Facilitator writes separate language and content</li> <li>Objectives for lessons, students read aloud together.</li> <li>Teacher refers to objectives throughout lessons and revisits objectives with learners at the end of the lesson to identify if learners have met the objective.</li> </ol>

Vocabulary Building  (Cognitive Content Dictionary)	<ul> <li>Learners think about thinking</li> <li>Builds vocabulary</li> <li>Aids in comprehension</li> </ul>	Facilitator chooses a word     Learners, in teams, guess what it means     Facilitator gives the meaning with hand motions     Facilitators explains the word's origins     Facilitators provides dictionary definition     Learners use the word in a sentence     The word becomes a signal word
Language Forms and Functions	Helps learners focus on higher level grammatical forms and functions for understanding receptive language(listening, and reading) and producing higher level expressive language (speaking and writing)	<ol> <li>Facilitator provides sentence frames and vocabulary related to cross content language forms and functions</li> <li>Facilitator reminds learners to speak and write using the focus language forms and functions.</li> </ol>
Sentence Frames	<ul> <li>Guides speaking and writing</li> <li>Shows proper use of vocabulary</li> <li>Gets students talking</li> </ul>	<ol> <li>Facilitator provides first words of a sentence or portion of a sentence, which might include key vocabulary or a language function that students are learning (i.e. compare &amp; contrast)</li> <li>Learners use those words and then add their own to finish the sentence</li> </ol>
Pictorial Input Chart	<ul> <li>Helps learners understand</li> <li>Organizes information</li> <li>Becomes a resource for learners</li> </ul>	<ol> <li>Facilitator makes a chart drawing with labels it</li> <li>As learners watch, facilitator traces in marker and explains</li> <li>Facilitator revisits to add word cards and images and to review concept</li> <li>Learners draw and label their own picture or color the class chart</li> </ol>
Real objects (Realia)	Links words with objects     Aids in understanding	<ol> <li>Facilitator brings in real object</li> <li>Facilitator names and explains object</li> <li>Learners see, hear, smell, touch, taste object and use language to describe their experience</li> </ol>
Photographs and Pictures (Visuals)	Links concepts with images     Aids in understanding	Facilitator brings in photograph or image     Facilitator names and explains image     Learners look at image and have opportunities to use language frames to describe the objects or photographs they are observing

## **CHAPTER 4: Family and Community Involvement**

• Parent/Guardian and Community Participation

## Parent/Guardian and Community Participation

According to the California *Education Code*, each school with twenty-one (21) or more ELs must establish a functioning English Learner Advisory Committee (ELAC). ELAC is an advisory committee whose purpose is to provide input and advice to the site administration. ELAC is not a decision-making group that approves expenditures. However, ELAC does give input and advice on school decisions and the use of funding sources dedicated to ELs.

## **Legal Requirements**

California Education Code – Section 52176 states, "A school site with 20 or more pupils of limited English proficiency shall establish a school level advisory committee on which parents/guardians of such pupils constitute membership in at least the same percentage as their children represent of the total number of pupils in the school. The school may designate for this purpose an existing school-level advisory committee that meets the criteria stated above. A School Site with 21 or more English Learners (ELs) must have a functioning EL Advisory Committee (ELAC) that meets the following requirements"

- Parent members are elected by parents or guardians of English
   Learners. The parents shall be provided with the opportunity to vote in the election.
- Parents of ELs constitute at least the same percentage of the committee memberships as their children represent the student body.
- ELAC advises site leadership and staff on the school's program for ELs.
- ELAC assists in the development of the school's needs assessment assists with efforts to make parents aware of the importance of regular school attendance.
- ELAC receives training to assist members in carrying out their legal responsibilities.

#### Steps for Establishing an ELAC

- 1. Determine the number of parents/guardians of English Learners that need to be on the committee.
- 2. Determine the preliminary advisory committee size. The law is silent on the

- size of the committee. The requirement is that the percentage of parents/guardians of ELs serving on the ELAC must be at least the same as the percentage of ELs enrolled in the school.
- 3. The purpose of an ELAC is to build the capacity of parents/guardians of ELs to assist in the education of their children.
- 4. Other members of the ELAC can be parents/guardians, school staff, and members of the community as long as the minimum percentage requirement for EL parents is maintained.
- 5. Notify the parents of ELAC elections. All parents of English Learners in the school may be elected to serve on ELAC.
- 6. Elect parents of ELs to serve as ELAC officers. The law requires that only parents/guardians of English Learners elect the parent/guardian members of the ELAC. An election shall be held in which all parents of ELs will have the opportunity to vote.

#### **Selection of ELAC Officers**

The following are the ELAC Officer positions and responsibilities:

- President: Assists with the development and posting of ELAC agendas.
   Presides over meetings
  - **Vice-President:** Performs the duties of the present when the president is unavailable
  - Secretary: Takes meeting minutes

## 1)Election Policies and Procedures:

- Parents/Guardians of ELs will be provided with the opportunity to nominate candidates in the fall of each school year.
- The Site Director/Designee will develop, coordinate, and monitor the election process.
- Communication to elicit candidates will include phone calls, emails, and newsletters.

### 2) Replacement During the Year:

 If a committee member must be replaced during the school year, discussion and elections will take place at the next ELAC meeting.

## CHAPTER 5: Monitoring, Evaluation, and Accountability; Purposes of EL Program Monitoring, Evaluation and Accountability

- Program Evaluation
- Progress Monitoring Of English Learners
- Program Evaluation

Each school year, school administration will take steps to ensure the effectiveness of EL programs by conducting an analysis. Through the process, the following areas will be evaluated, refined, and adjusted.

Goal	Evaluation Questions
Implementation  EL programs are fully implemented as described in this plan.	<ul> <li>1.1 Are EL programs fully and consistently implemented in ways that meet or exceed requirements of state and federal law?</li> <li>1.2 To what extent is the Master Plan for English Language Learners useful to facilitators, administrators, and parents/guardians as a tool to meet the needs of ELs?</li> <li>1.3 Are ELs at high schools gaining access to academically rigorous core classes?</li> </ul>
2. English Proficiency  ELs will make steady progress in developing academic English, and attain academic English language proficiency as efficiently and effectively as possible.	<ul><li>2.1 What percentage of ELs have increased at least one level on the ELPAC?</li><li>2.2 What percentage of ELs have Reclassified?</li></ul>
Academic Progress     a. ELs will make steady	3.1 Are increasing percentages of ELs making steady academic progress on SBAC-ELA?
a. ELs will make steady progress in core academic subjects b. ELs in our school 5 years or longer will meet grade-level standards in core academic subjects	<ul> <li>3.2 Are increasing percentages of ELs making steady academic progress on SBAC-Math?</li> <li>3.3 Are ELs not making steady academic progress being identified and appropriately served?</li> <li>3.4 Are increasing percentages of ELs in our school 5 years or longer meeting all criteria required for Reclassification?</li> <li>3.5 Are ELs (and RFEPs) in high school making expected progress toward graduation?</li> </ul>

## 4. Decrease Risk of Failure

Rates for ELs and RFEPs in categories indicating risk for school failure are no greater than those for EOs.

- 4.1 Are ELs (and RFEPs) not overrepresented in the following categories:
  - Suspensions, expulsions, other discipline
  - Dropouts
  - 4.2 Is there an annual decrease in the percentage of ELs and RFEPs for each of the risk factors defined in 4.1?

#### **Progress Monitoring Of English Learners**

Empower Generations supports Principle Four of the CA EL Roadmap, Alignment and Articulation Within and Across Systems. At Empower Generations, ELs experience a coherent, articulated, and aligned set of practices and pathways across grade levels and educational segments, beginning with a strong foundation in the early grades and appropriate identification of strengths and needs, and continuing through to reclassification, graduation, higher education, and career opportunities. These pathways foster the skills, language(s), literacy, and knowledge learners need for college- and career-readiness and participation in a global, diverse, multilingual world.

EL performance is tracked by ELPAC scores, NWEA MAP, classroom observation, and formative assessments that reflect the level of mastery of the CA ELD and Common Core State Standards.

Once learners are identified as EL, we use various internal controls and methods to collect and document all pertinent and appropriate information about academic progress. Within each EL's cumulative file, one will find the necessary documentation related to the learner's growth in English. EL information is also housed in our SIS. and ELLEVATION. ELLEVATION is a platform that allows us to monitor learner progress, plan engaging instruction, develop goals, and generate reports. This ensures that all members of our instructional team can easily access information about status and progress over time.

#### **CHAPTER 6: Meeting State and Federal Compliance Requirements**

This chapter addresses the additional state and federal requirements for the services to ELs not previously addressed in this Master Plan. This chapter will be updated and supplemented with policy memos and bulletins as changes in law occur.

## **Authorization To Teach English Learners**

Empower Generations strives to meet CA EL Road map, Principle Three: System Conditions that Support Effectiveness, whereupon each level of the Empower Generations school system has leaders and educators who are knowledgeable of and responsive to the strengths and needs of ELs and their communities and who utilize valid assessment and other data systems that inform instruction and continuous improvement. Empower Generations staff collaborates to plan and implement tiered levels of support to ensure learning.

Specialized knowledge is required to teach ELs. This requirement is met by completing coursework leading to a teaching credential with the appropriate authorization(s), or by passing exams approved by the California Commission on Teacher Credentialing (CTC). The State issues two types of authorization that permit teachers to provide instruction to ELs: English Learner (EL) Authorization/CLAD Certificate and Bilingual Authorization. The table below summarizes the instructional services permitted based on the type of authorization.

Authorization Type	Instructional Services
EL Authorization	English Language Development Specially Designed Academic Instruction in English
Bilingual Authorization	English Language Development Specially Designed Academic Instruction with English Primary Language Support

Facilitators of ELs are required to possess the appropriate EL authorization.

## APPENDIX A: English Proficiency Data in iLEAD's Student Information System

## How English Proficiency Data is Stored in iLEAD's Student Information System (SIS)

**(SIS)** English proficiency data is stored in our SIS, Pathways. Data is extracted from Pathways into CALPADS for all state compliance reporting as it relates to the ongoing monitoring and tracking of English Learners' status, program enrollment and proficiency in English. The California Department of Education uses CALPADS Fall 1 data to determine school site EL performance/achievement data which in turn is publicly available through DataQuest.

To ensure data accuracy we commit to:

- 1. Follow the law and California's detailed Education Code to ensure full compliance in our practices and policies
- Follow this adopted Empower Generations English Language Master Plan with fidelity
- 3. Have every instructional, administrative and office staff member follow the specific procedures, practices and systems associated with their specific role
- 4. Stay up-to-date with the newly adopted standards and practices associated with the following:
  - a. <u>EL Common Core Standards</u>
  - b. EL Framework and Standards
  - c. ELPAC and other assessment related updates

Below are the specific proficiency statuses as defined by the State of California. All students will be tagged as one or the other within Pathways:

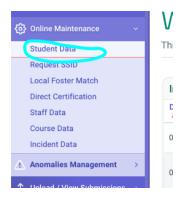

## **English Language Acquisition Codes**

- **EO** = English Only
- TBD=To Be Determined
- **EL** = English Learner
- IFEP = Initial Fluent English Proficient
- RFEP = Reclassified Fluent English Proficient

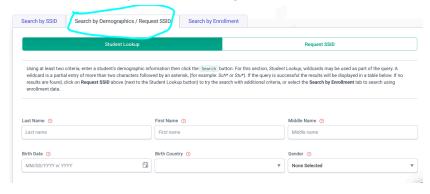

## Process for English Learner Status and Primary/Home Language

When a learner is being enrolled:

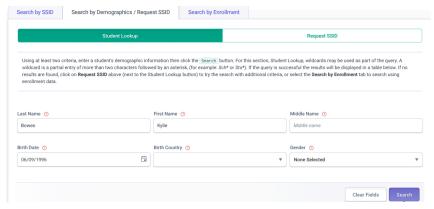

1. **Check CALPADS** for Language Acquisition Status and Primary Language To find a learner when you do not have an SSID, on the left-hand side of the screen in CALPADS, click on "Online Maintenance" and then choose "Student Data".

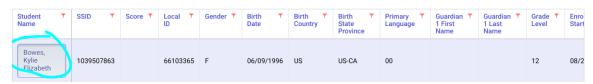

### Click on "Search by Student Demographics/Request SSID".

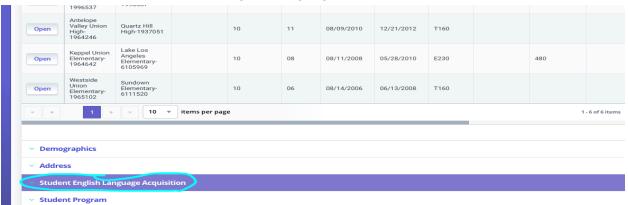

#### Enter the learner's last name, first name, and date of birth, then click "Search".

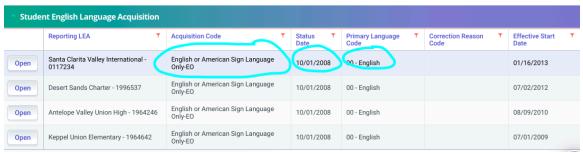

#### Click on the learner's name.

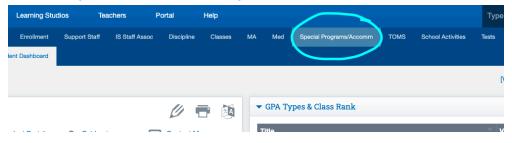

Scroll down and click on "Student English Language Acquisition".

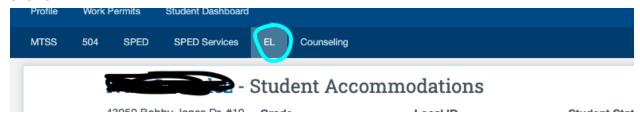

You will use the most recent Language Acquisition Status, Status Date, and Primary Language. This information will be entered into Pathways.

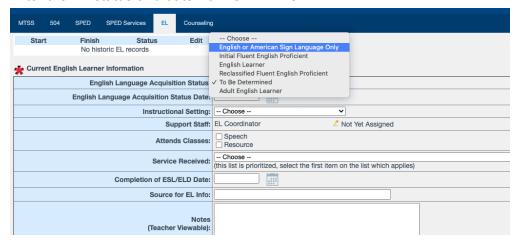

2. In Pathways, click on "Special Programs/Accomm".

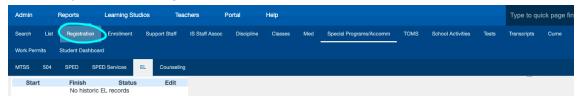

Click on "EL".

#### Enter the EL status and date from CALPADS.

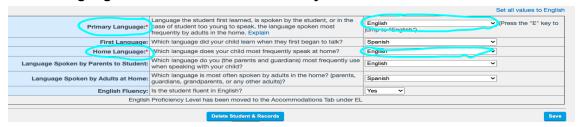

#### In Pathways, click on "Registration".

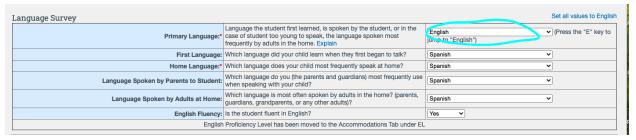

### Then, click on "Ed Level & Language Survey".

Check to see if the "Primary Language" and "Home Language" are the same as the "Primary Language" in CALPADS. If a different language is indicated on the HLS (Home Language Survey), you need to change the "Primary" and "Home" Language to what was indicated as the primary language in CALPADS. **The Primary Language and Home Language must match here in Pathways.** 

3. **If the learner cannot be found in CALPADS** and you have verified this learner has not been previously enrolled in a California public school, you will need to check the HLS.

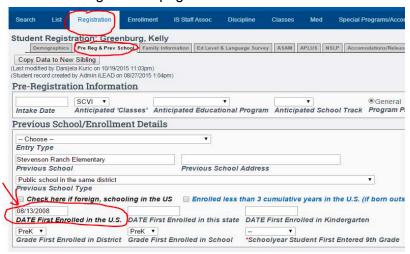

Check to see if there is a language other than English listed. Also, make sure the primary language and home language match. In the example above, the Primary language would need to be changed to "Spanish" so that the Primary Language and Home Language match.

4. If a language, other than English, is listed on the HLS, then you will enter the Language Status in Pathways as "TBD" and notify your site EL Coordinator so they can send the Initial ELPAC notification to the parent/guardian and give the assessment within 30 calendar days.

If English is the only language listed in the HLS, then you will code the learner as EO in Pathways with the effective date as the learner's first date of enrollment.

If the learner has been enrolled in a U.S. school for less than 3 years, it must be checked on the registration page.

#### RESOURCE SHARING AGREEMENT

(Effective July 1, 2023)

This Resource Sharing Agreement ("Agreement") is entered into as of July 1, 2023 ("Effective Date") by and between the following California nonprofit public benefit corporations, which may each be referred to herein as a "Party" or "School" and collectively as the "Parties" or "Schools" to this Agreement: iLEAD California Charters 1 ("iCA"); iLEAD Agua Dulce ("iAD"); iLEAD Lancaster ("iL"); iLEAD Online Charter School ("iOCS"); Empower Generations ("EG"); and Santa Clarita Valley International ("SCVi").

**WHEREAS**, iCA, iAD, iL, iOCS, EG, and SCVi are each nonprofit that separately operate California public charter schools focused on project-based learning, and based on the iLEAD program model.

WHEREAS, iCA, which currently operates the largest of the charter schools, employs staff members and houses other resources beneficial for certain functions of charter schools using the iLEAD program and model, including: learning support; leadership support; school, community, and authorizer relations; employee services; technology functions; board support; accounting and financial services; compliance and reporting; facilities; and communications, outreach, and public relations.

WHEREAS, the Parties seek to share these resources of iCA among them cooperatively to achieve cost savings and other scale benefits for each Party, so that each Party may have access to additional, valuable, specialized, and/or expensive resources that might otherwise not be available to them.

**WHEREAS**, the Parties have previously been sharing certain resources of iCA under that certain Resource Sharing Agreement dated July 1, 2019, and as amended effective July 1, 2021, and December 1, 2022, the term of which expired on June 30, 2023.

**WHEREAS**, the sharing of these resources of iCA among all of the Parties cooperatively is in the mutual interest and advantage of each of the Parties in furtherance of their shared goal for each respective charter school to operate successfully and implement the iLEAD program and model in a cost-effective manner at their respective schools.

**WHEREAS**, it is the intent of the Parties to continue sharing certain iCA resources and allocate costs among them according to the terms and conditions set forth in this Agreement.

**NOW**, **THEREFORE**, in consideration of their mutual promises set forth in this Agreement, the Parties desire to, and hereby agree as follows:

- 1. **Shared Resources**. During the term of this Agreement, the Parties shall share in the costs for iCA staff and resources necessary for the functions described in Attachment A of this Agreement and as relevant for each of the Schools (the "Shared Resources") in accordance with the cost allocations and payment provisions described in Sections 2 and 3 herein.
- 2. Cost Allocation by ADA. The Parties shall share the actual costs incurred by iCA for the

Shared Resources necessary for the functions described in Attachment A. iCA shall perform the functions described in Attachment A for all Parties. A larger School requires more of iCA's Shared Resources than a smaller School. Therefore, except as otherwise set forth herein, costs for the functions described in Attachment A shall be shared among all Schools on a pro-rata basis by ADA; except, in instances where a third-party invoice or contract breaks down costs by Party in a manner other than a pro-rata basis by ADA, such costs shall be paid as set forth on the applicable invoice or contract. In accordance with Section 3 herein, the total costs incurred by iCA during the initial eight-month period of the year (July 1 through February 28, the "First **Period**") with respect to the functions described in Attachment A shall be aggregated and divided and apportioned among the Schools based on their ADA as reported on each School's P-2 apportionment report for the prior school year. For a School that projects an enrollment increase or decrease of 25% or more from the prior school year, or for a new School in its first year of operations, iCA shall use the School's projected ADA for the current school year to calculate such School's share for the First Period. Then, the total costs incurred by iCA during the remaining four-month period of the year (March 1 through June 30, the "Second Period") shall be apportioned based on the Schools' ADA as reported on their P-1 apportionment report for the current school year and certified by the California Department of Education.

- 3. **Bimonthly Payment and Reconciliation**. iCA shall provide a monthly statement to each Party outlining that Party's share of costs for the Shared Resources based on the applicable allocation described in Section 2 above. Each Party shall be provided access to reasonable backup documentation for such costs upon request. Each Party shall submit payment to iCA within thirty (30) calendar days after receipt of the monthly statement. Upon each School's P-1 ADA certification by the California Department of Education, iCA shall reconcile the amount each School paid during the First Period under the allocation described in Section 2 above, to the amount owed by each School based on its P-1 ADA for the current school year. Any amount owed by a School, or overpaid by a School, shall be reconciled and paid and/or refunded by no later than three (3) months after the close of the fiscal year audit unless otherwise mutually agreed in writing.
- 4. **Retention of Deposit**. Upon execution of this Agreement, each School shall have provided iCA a deposit of one percent (1%) of its ADA as reported on each School's P-2 apportionment report for the prior school year. iCA shall retain such deposits during the term of this Agreement to ensure iCA has adequate cash flow to cover the costs of the Shared Resources. Upon termination of this Agreement pursuant to Section 8 herein, iCA shall apply each Party's deposit amount as a credit on that Party's final monthly statement. In the event a Party's final monthly statement is less than that Party's deposit amount, iCA shall return any remaining deposit amount to the Party within thirty (30) days of termination.
- 5. **Parties' General Responsibilities**. The Parties shall each be responsible to:
  - a. Comply with all applicable federal and state statutes, laws and regulations;
  - b. Ensure that neither they nor their employees shall discriminate against any other Party's employees, including iCA employees providing the functions described in <u>Attachment A</u> on account of disability, race, color, religion, ethnic origin, age, gender, sexual orientation, or

any other characteristic protected by law;

- c. Provide to iCA, in writing, copies of any campus or school-specific rules and/or regulations applicable to iCA while providing services to a Party;
- d. Provide a safe working area for iCA when necessary for iCA to be on a Party's site or campus;
- e. Provide iCA all the necessary, true, and correct data, files, documents, and other information and records necessary or appropriate for the functions described in <u>Attachment A</u> of this Agreement; and
- f. Provide feedback to iCA regarding its performance of the functions described in <u>Attachment A</u> of this Agreement and the Shared Resources.
- 6. **iCA Responsibilities**. iCA is hereby designated to act on its own behalf and on behalf of all other Parties hereto for the limited purpose of providing for and performing the task-related functions described in <u>Attachment A</u>, including to employ such employees, engage legal counsel or other consultants or third parties as necessary, and incur other reasonable and necessary costs for the mutual advantage of all participating Parties.

iCA shall provide the same quality of services for the Schools as it does for its own charter school in performing the functions described in <u>Attachment A</u>. iCA will endeavor to accommodate all Parties' needs, provided that no Party shall be entitled to more than its fair share of iCA's time.

When on a Party's school campus or other site, iCA employees shall be subject to such Party's general direction and iCA will comply with the Party's applicable policies and procedures (such as campus sign-in procedures) so long as such policies and procedures are provided to iCA in writing. However, iCA shall supervise and make all employment decisions with respect to iCA employees in its sole discretion, including all hiring, evaluation, termination, compensation, and benefits decisions. iCA shall also have sole responsibility for compliance with state and federal income tax withholding, unemployment, and disability insurance withholding and contributions, STRS, PERS, social security tax withholding and contributions, workers' compensation coverage, wage and hour obligations, and any other applicable employment law requirements for iCA's employees. Nothing in this Agreement shall confer upon any Party any rights or remedies, including any right to employment, as an employee of any other Party.

iCA shall not be required to provide any Shared Resources pursuant to this Agreement to the extent that it is or becomes impracticable, in any material respect, as a result of a cause outside iCA's reasonable control or would require iCA to violate applicable law or its charter(s). If iCA determines that it will not be able to provide one or more Shared Resources pursuant to this section, it will, to the extent reasonably practicable, first meet with the other Parties to determine if there are other ways for the Schools to receive the relevant Shared Resources or if

other services can be adjusted to accommodate the removal of the relevant Shared Resources.

Each Party may request from iCA any information and records regarding iCA's performance of the functions described in <u>Attachment A</u> for the requesting Party (but not for any other Party) to ensure the requesting Party has copies of School records, or as any Party's authorizer may request and be entitled to under the law.

- 7. **Relationship of the Parties**. The Parties acknowledge that the functions described in Attachment A are task-related functions for which resources are being shared at the request of, and at the direction of, each Party. The governing body of each School retains ultimate decision-making authority and shall at all times retain its duty to exercise its statutory, contractual, and fiduciary responsibilities governing such School's operations. The governing body of each School is the operator and manager of such School's charter school(s), and is responsible for ensuring that the School adheres to its charter(s).
- 8. **Term and Termination**. The term of this Agreement commences on July 1, 2023, and continues through June 30, 2026, unless and until earlier terminated as set forth in subsection (a) or (b) herein and subject to any amendments pursuant to Section 9 herein. This Agreement may be renewed upon written mutual agreement of the Parties.
  - a. *Termination by any Party other than iCA*. Any School other than iCA may terminate its participation in this Agreement for any reason upon sixty (60) days' written notice to all Schools. Termination of participation by any School(s) shall not terminate the Agreement as to any other School, nor relieve the terminating School(s) of any obligations incurred prior to the effective date of such termination. Following termination of a School's participation, (i) the terminating School shall pay iCA any unpaid portion of its costs through the effective date of termination, (ii) the terminating School shall not be further entitled to any of the Shared Resources, and (iii) costs shall be allocated among the remaining Schools as set forth in Section 2.
  - b. *Termination by iCA*. iCA may terminate this Agreement for any reason upon one hundred and fifty (150) days' notice to all Schools. Additionally, iCA may terminate any other School's participation in this Agreement in the case of a material or persistent breach by such School of any one or more of the terms of this Agreement which is not remedied within thirty (30) days after written notice is provided by iCA to the breaching School. A copy of such written notice shall also be provided to all other Schools. Upon expiration of the thirty (30) day period without the breach being cured or appropriate actions taken to commence curing the breach in the reasonable discretion of iCA, iCA may terminate the breaching School's participation. Following termination of a breaching School's participation, (i) the breaching School shall pay iCA any unpaid portion of its costs through the effective date, (ii) the breaching School shall not be further entitled to any of the Shared Resources, and (iii) costs shall be allocated among the remaining Schools as set forth in Section 2.
- 9. **Amendments**. This Agreement may be amended as follows:
  - a. Changes to the Shared Resources. The Parties acknowledge and understand that the

functions and resources iCA is able to share among the Parties may change from time to time. iCA shall consult with all affected Parties regarding any changes to its capacity to provide the functions and resources described in <u>Attachment A</u> as soon as practicable and shall reflect such changes in writing by providing an amended Attachment to all Parties. To the extent iCA's changes to <u>Attachment A</u> add new functions or resources that would result in a substantial increase in costs, iCA shall provide all Parties ninety (90) days' notice, which notice may be waived by each Party that seeks to have services start sooner.

- b. *Changes in the Law*. In the event that any new enactment, repeal, or change of any federal, state, or local law, regulation, interpretation of law or regulation by an authorizer or regulator, or court or administrative decision or order materially affects the performance of any of the Parties in conformity with this Agreement, the Parties shall promptly commence negotiations in good faith regarding a mutually agreeable approach (including without limitation, an amendment to the Agreement) to address the situation. If, after such good faith negotiations, the Parties are unable to agree upon an acceptable approach, the Agreement shall terminate for all Parties without further obligation or liability among the Parties, upon any Party's sixty (60) days' written notice to the other Parties, or in such lesser time as is reasonable under the circumstances.
- 10. Work Product; Intellectual Property. Any work product that is created by iCA in the context of providing the functions described in <a href="Attachment A">Attachment A</a> shall be the property of iCA, except to the extent it involves Confidential Information or privileged information for any one Party (for example, employment records), in which case it belongs to that Party, or to the extent it is governed or otherwise addressed by a separate written agreement among the Parties. Any intellectual property owned by a Party or Parties and used by iCA related to the Shared Resources shall remain the property of that Party or Parties. Similarly, any intellectual property owned by iCA that is utilized as part of the Shared Resources, either by iCA or another Party, shall remain the property of iCA. No Party shall have the right to grant a license, sublicense, or any other use or rights to the property of another Party. Upon termination or expiration of this Agreement, the property of each Party in the possession of any other Party shall be returned, or destroyed at the request of the Party that owns it; provided, however, that any work product created by iCA that is shared by iCA with a Party or Parties in the context of providing the functions described in <a href="Attachment A">Attachment A</a> may continue to be used by that Party or Parties upon termination or expiration of this Agreement.
- 11. **Confidentiality**. Each Party acknowledges that during the term of this Agreement, it may have access to certain Confidential Information of the other Party(ies), as defined below. Each Party shall maintain and enforce reasonable administrative, technical, and physical safeguards to reasonably protect the confidentiality of the other Parties' Confidential Information.
  - a. "Confidential Information" means non-public information marked either "confidential" or "proprietary," or that otherwise should be understood by a reasonable person to be confidential in nature. Confidential Information may include but is not limited to trade secrets, policies, procedures, intellectual property, business or strategic plans, contractual arrangements or negotiations, financial information, and employee information. Confidential Information does not include any information which (i) is rightfully known to the recipient

prior to its disclosure; (ii) is released to any other person or entity (including governmental agencies) without restriction; (iii) is independently developed by the recipient without use of or reliance on Confidential Information; (iv) is or later becomes publicly available without violation of this Agreement or may be lawfully obtained by a Party from a non-party; or (v) which is a public record under California law.

b. If disclosure of Confidential Information is requested pursuant to law, statute, rule, or regulation (including a subpoena, a request made to a School under the California Public Records Act, or other similar form of process), the Party to which the request for disclosure is made shall (other than in connection with routine supervisory examinations by regulatory authorities with jurisdiction and without breaching any legal or regulatory requirement) provide the applicable Party(ies) with prior prompt written notice thereof to the extent practicable, and if practicable under the circumstances, shall allow the applicable Party(ies) to seek a restraining order or other appropriate relief.

Upon the termination or expiration of this Agreement, the Confidential Information of each Party in the possession of the other Party shall be returned and/or destroyed.

- 12. **Student Information**. Each Party is responsible for its compliance with the federal Family Educational Rights and Privacy Act (20 U.S.C. § 1232g) ("*FERPA*"), federal Children's Online Privacy and Protection Act (15 U.S.C. §§ 6501–6506) ("*COPPA*"), and other applicable state and federal laws pertaining to student information and privacy. For each School, iCA is a "third party" that may receive pupil records under California Education Code Section 49073.1(d)(6). Each School's pupil records continue to be the property of and under the control of the School.
  - a. To the extent necessary, iCA shall be designated as a "school official" having a legitimate educational interest in accessing each School's student education records, as that term is defined by and for purposes of FERPA, thereby allowing iCA to access personally identifiable information from student education records from each School as part of its performance of the functions described in <a href="Attachment A">Attachment A</a>. For purposes of this Agreement, the term "personally identifiable information" ("PII") means any information that can be used on its own or with other information to (i) distinguish one person from another, (ii) identify, contact, or locate a single person, or (iii) de-anonymize anonymous data. The Parties and iCA will work together as needed to ensure compliance with all FERPA provisions as to the Shared Resources.
  - b. iCA shall not use or disclose pupil records, including PII, received from or on behalf of another School except as necessary with respect to the performance of the functions described in <a href="Attachment A">Attachment A</a>, as required by law, or as otherwise authorized in writing by the applicable School. iCA shall not use any PII in pupil records to engage in targeted advertising. iCA shall protect the pupil records it receives from or on behalf of another School no less rigorously than it protects its own pupil records, including the designation and training of responsible personnel. In the event of an unauthorized disclosure of PII, iCA

- shall notify the affected School(s) as soon as practicable, and shall, upon the affected School(s)'s request, notify affected parents, legal guardians and eligible pupils using reasonably available technological means such as electronic mail.
- c. To the extent any pupil-generated content is stored and managed by iCA, pupils may retain possession and control of their own pupil-generated content or may transfer pupil-generated content to a personal account, by submitting a written request to their respective School. The School will have the ability to access any pupil-generated content by contacting iCA, and iCA will provide assistance to the School upon request. For purposes of this Section, "pupil-generated content" means materials created by a pupil, including, but not limited to, essays, research reports, portfolios, creative writing, music or other audio files, photographs, and account information that enables ongoing ownership of pupil content. "Pupil-generated content" does not include pupil responses to a standardized assessment where pupil possession and control would jeopardize the validity and reliability of that assessment.
- d. A parent, legal guardian, or eligible pupil may request copies of pupil records or may inspect and review pupil records during regular school hours, by submitting a request to their respective School. The School will provide access to the pupil's records no later than five (5) business days following the date of the request. A parent, legal guardian, or eligible pupil may request that their respective School correct erroneous information in the pupil records by submitting a written request to the School. The School's site director or designee will meet with the parent, guardian, and/or eligible pupil and either grant or deny the request to change information in the pupil records.
- e. iCA hereby certifies that upon the termination or expiration of this Agreement, the pupil records of each School in the possession of iCA shall be returned to the School and/or destroyed.
- 13. **Insurance**. iCA shall maintain customary and reasonable insurance coverage necessary for the performance of the functions described in <u>Attachment A</u>, including professional liability for errors or omissions and/or directors and officers coverages, comprehensive general liability coverage, and automobile liability coverage. iCA shall name each Party as an additional insured under all of iCA's policies. To the extent iCA incurs additional cost(s) for any enhancements necessary to its insurance policies to provide the Shared Resources to all Schools, such cost(s) may be allocated among the Schools according to Sections 2 and 3. Each Party shall be responsible for obtaining and maintaining workers' compensation coverage and unemployment insurance for its employees.
- 14. **Liability**. Each Party shall be and remain responsible for its own debts and obligations. Nothing in this Agreement shall be construed as imposing on a Party any liability arising out of the operations of any other Party, except as such liability may result from the performance of the first Party's obligations under this Agreement.
- 15. **Indemnification**. Each Party shall defend, indemnify, and hold the other Parties, and their employees, officers, directors, and agents, free and harmless against any liability, loss, claims, demands, damages, expenses, and costs (including attorneys' fees, expert witness fees, and

other costs of litigation or other proceedings) of every kind or nature arising in any manner out of the performance of its obligations under this Agreement, except to the extent such loss or damage was caused by the negligence or willful misconduct of another Party. Notwithstanding this, iAD, iL, iOCS, EG and SCVi shall defend, indemnify and hold iCA, and its employees, officers, directors and agents, harmless against any liability, loss, claims, demands, damages, expenses, and costs (including attorneys' fees, expert witness fees, and other costs of litigation or other proceedings) of every kind or nature brought by a past or present employee, contractor, agent, or worker ("Worker") of the other Party against iCA based on allegations that iCA is an employer, joint employer or otherwise liable for claims arising out of the Worker's working relationship with the other Party ("Employment Claims"). For Employment Claims against iCA and any other Party(ies) that are covered by the Parties' joint insurance, each Party shall be responsible for its equal share of the total insurance deductible.

- 16. **Fiduciary Obligations**. The governing body for each School has reviewed this Agreement in good faith, and in a manner in which it believes to be in the best interests of its School, and with such care, including reasonable inquiry, as an ordinary prudent person in a like position would use under similar circumstances, and has determined that the Agreement is in the best interests of its School and that the cost allocation to be paid is fair and reasonable.
- 17. **Assignment**. No Party shall assign this Agreement, any interest in this Agreement, or its rights or obligations under this Agreement without the express prior written consent of the other Parties. This Agreement shall be binding on, and shall inure to the benefit of, the Parties and their respective successors and assigns.
- 18. **Dispute Resolution**. The Parties shall attempt to negotiate in good faith to resolve any dispute arising from or relating to this Agreement before resorting to litigation.
- 19. **Notice**. All notices, requests, demands, or other communications (collectively "*Notice*") given to or by the Parties under this Agreement shall be in writing and shall be deemed to have been duly given on the date of receipt if transmitted by email or personally served on the Party(ies) to whom Notice is to be given, or seventy-two (72) hours after mailing by United States mail first class, registered or certified mail, postage prepaid, addressed to the Party(ies) to whom Notice is to be given, at the applicable address set forth below:

- 21. **Applicability**. As of the Effective Date, this Agreement constitutes the entire agreement between the Parties with respect to the subject matter contained herein and supersedes all agreements, representations, and understandings of the Parties with respect to such subject matter.
- 22. Arm's Length and Independent Counsel. Each Party has been advised by or had an opportunity to seek advice from its independent counsel regarding this Agreement.
- 23. **No Waiver**. No waiver of any provision of this Agreement shall constitute, or be deemed to constitute, a waiver of any other provision, nor shall any waiver constitute a continuing waiver. No waiver shall be binding unless executed in writing by the Party making the waiver.
- 24. **Severability**. If any provision of this Agreement is invalid or contravenes California law, such provision shall be deemed not to be a part of this Agreement and shall not affect the validity or enforceability of its remaining provisions, unless such invalidity or unenforceability would defeat an essential purpose of this Agreement.
